NOTE

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document.

References to the *Yearbook of the International Law Commission* are abbreviated to *Yearbook ...*, followed by the year (for example, *Yearbook ... 1996*).

The *Yearbook* for each session of the International Law Commission comprises two volumes:

Volume I: summary records of the meetings of the session;

Volume II (Part One): reports of special rapporteurs and other documents considered during the session;

Volume II (Part Two): report of the Commission to the General Assembly.

All references to these works and quotations from them relate to the final printed texts of the volumes of the *Yearbook* issued as United Nations publications.

*

* *

The reports of the special rapporteurs and other documents considered by the Commission during its forty-ninth session, which were originally issued in mimeographed form, are reproduced in the present volume, incorporating the corrigenda issued by the Secretariat and the editorial changes required for the presentation of the final text.
